Memorandum in Opposition to Motion for Deposition of Witnesses Sam Brower and Dan Fischer filed on behalf of clients of Hoole & King, LC, and Natalie Malonis until October 2, 2009. Additional time is needed because although the service list indicates a copy was mailed to counsel on September 8, 2009, counsel did not receive it. Upon reviewing the Court's order dated September 16, 2009, discussing the Memorandum, a redacted copy was obtained through the public record this morning. Counsel requests a week's extension to properly research and respond to the issues raised and hopefully receive an unredacted copy from Mr. Novak in the near future.

Undersigned counsel does not anticipate any objection to this motion insofar as he did not oppose an extension of the response date for the deponents.

RESPECTFULLY SUBMITTED this 21st day of September, 2009.
