

IN THE SUPERIOR COURT OF THE STATE OF ARIZONA

IN AND FOR THE COUNTY OF MOHAVE

HONORABLE LEE F. JANTZEN

DIVISION 4

DATE: DECEMBER 16, 2022

COURT ORDER/NOTICE/RULING

JEANNE KENTCH, et al., et ux.,
Plaintiffs,

vs.

CV-2022-01468

KRIS MAYES, et al., et ux.,
Defendants.

The Court has received a Motion to Intervene filed by J'aime Morgaine, in her role as Executive Director of Real Change (Arizona Standing PAC #100614). Oral argument is requested, but the Court finds the motion is not sufficient and oral argument is not necessary. Neither is it necessary to wait for responses from the parties.

Rule 24 of the Arizona Rules of Civil Procedure discusses when someone can intervene in a civil case. Rule 24 discusses two types of intervention: intervention of right and permissive intervention. The motion in this case is asking the Court to grant permissive intervention. The section of Rule 24 addressing permissive intervention reads (in relevant part) as follows:

(b) Permissive Intervention.

(1) *Generally.* On timely motion, the court may permit anyone to intervene who:

(A) has a conditional right to intervene under a statute; or

(B) has a claim or defense that shares with the main action a common question of law or fact.

The motion before the Court does not raise a specific statute that would give a conditional right to intervene, nor does the motion state a claim or defense that shares with the main action a common question of law or fact. The motion states the moving party has "acquired information and facts specifically relevant to this case that are unlikely to be introduced by other defendants." There is no other explanation.

This is insufficient for the Court to grant the Motion to Intervene.

IT IS ORDERED denying the Motion to Intervene filed December 16, 2022, by J'aime Morgaine, in her role as Executive Director of Real Change (Arizona Standing PAC #100614).
