  - There is a pending proceeding (meaning no final decree or court order has been signed) for divorce or for legal separation of the legal parents at the time this petition is filed.

\* **You may NOT use this packet if there is already a court order for paternity, legal decision making, support, parenting time or visitation for the minor child(ren) of whom you are seeking legal decision making.**

\* **NOTE:** IF THERE IS AN EXISTING Court Order as described above about the minor child(ren) for whom you are requesting legal decision making, you would need to file as a “3<sup>rd</sup> Party Intervenor” in that case and using that case number. This packet will not work for that purpose.

IT IS IMPORTANT for you to know that when you sign a court document, you may be helping or hurting your court case. Before you sign any court document, or get involved with a court case, it is important that you see a lawyer to make sure you are doing the right thing. ## USEFUL TIPS:

- Use black ink when filling out documents.
- Do not white out mistakes. Cross out and initial.
- Have your signature notarized before you make your copies.
- Leave blank the “Order” portion of any document – this will be completed by the judge and signed by him/her.
- Make 2 complete sets of copies of all documents you are planning to file.
- **File the papers at the court:** Take the original and 2 sets of copies to the Clerk of the Court filing counter. The Clerk will keep the originals, stamp the extra copies to show that these are copies of papers you have filed with the court, and return the stamped (now called “conformed”) copies to you.
