

MOHAVE COUNTY JUSTICE COURT

**DEBTORS
EXAMINATION**

MOHAVE COUNTY JUSTICE COURT

The purpose of a Judgment Debtor's Examination is to obtain information about assets and other information relevant to the judgment debtor that may aid you in collection of the judgment.

You may file a Petition in Support of Supplemental Proceedings with the court clerk. There is a fee for issuing an Order for Supplemental Proceedings.

The court will set a date and time for the judgment debtor or other named person to appear as ordered. You must also be present at the scheduled examination unless you have obtained counsel to appear on your behalf.

The Petition and Order for Appearance will need to be served on the judgment debtor or on a person who has information or documents concerning the assets of the judgment debtor. The Order must be served by the constable or a licensed process server. There may be a fee for the service.

The Order for Appearance must be served personally on the judgment debtor; substitute service will not suffice. Be sure to instruct the person serving the order to note on the affidavit of service the judgment debtor's physical description and date of birth. Rule 64.1, Arizona Rules of Civil Procedure, requires that the physical description be included on a civil arrest warrant, should it be necessary to issue one for failure to appear.

At the debtor's examination the party to whom the order was issued will be placed under oath and then you, or an attorney representing you, will conduct the examination. You may ask the judgment debtor questions concerning his assets or property. You should be prepared to know what questions you plan to ask the judgment debtor. The judgment debtor is required to bring the documents and records specified by the order and to be prepared to answer your relevant questions concerning his assets or property. If the debtor fails to appear as ordered, after having been personally served, the court may issue a civil arrest warrant if one is requested.

If the judgment debtor fails to make a good faith effort to properly participate in the proceedings or otherwise fails to comply with the court's order, you may file a Motion for Sanctions for Non-Compliance.
