

**STATEMENT OF
PREMARITAL COUNSELING
RECEIVED**

We do so declare that a member of the clergy and/or a marriage counselor provided premarital counseling for us. We have discussed the seriousness of a Covenant Marriage and the fact that a Covenant Marriage is a commitment for life. We agree to the obligation of seeking marital counseling in times of marital difficulties and agree to the exclusive grounds for legally terminating a Covenant Marriage by dissolution of marriage or legal separation.

Additionally, we were counseled as to the nature and purpose of marriage and have been provided the informational pamphlet, "Covenant Marriage In Arizona," as required by Arizona law.
