ADMINISTRATIVE ORDER
2014-13

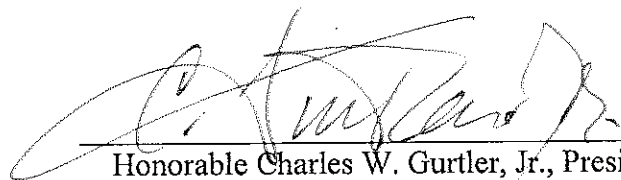

Last November the Court appointed a part-time Commissioner to assist with the effective management of a growing caseload. The appointment was temporary depending on the needs of the Court and the availability of funding to support the position. Additionally, the Commissioner's salary was set at an hourly rate with compensation only for the hours actually worked each week. It was initially anticipated this appointment would be for a six month period of time;

WHEREAS, the Court recognizes the ongoing benefit of the services of the part-time commissioner and the Court has identified funding to continue this appointment through the end of the current fiscal year, ending on June 30, 2014;

IT IS ORDERED continuing the appointment of Ken Gregory as a Court Commissioner to handle on a part time basis: Title IV D cases, Orders of Protection matters, Adult Drug Court cases in Kingman and miscellaneous criminal hearings that may be assigned to him through June 30, 2014;

IT IS FURTHER ORDERED that Commissioner Gregory shall serve without additional compensation above the established hourly rate.
