RE: "No Exceptions" for Superior Court Clerk's Financial Audit

On June 3<sup>rd</sup>, 2022 the Clerk of Superior Court was notified that their recent financial audit had no exceptions. All financial transactions are being processed perfectly!

One of the many responsibilities of the Clerk of the Superior Court is the management of financial transactions and records. Accordingly, the Arizona Code of Judicial Administration 1-401 requires the Clerk's office to undergo an independent review of its accounting records, procedures, automated financial management system records, and internal controls at a minimum of every three years. In April of 2022, the Clerk's office received such an audit, during which the independent auditing agency found them to be in full compliance with State statutes and rules.

"I am very proud of my team and the work we have put in during this first year of my tenure as Clerk to ensure that we meet our obligations to the County and the judicial system. Audits are stressful but necessary. I give huge kudos to my team for such an accomplishment," stated Christina Spurlock, Mohave Clerk of the Superior Court.
